

Anniversary Events 2024

This year we commemorate a momentous journey as we mark the 10th anniversary of the Hollie Gazzard Trust.

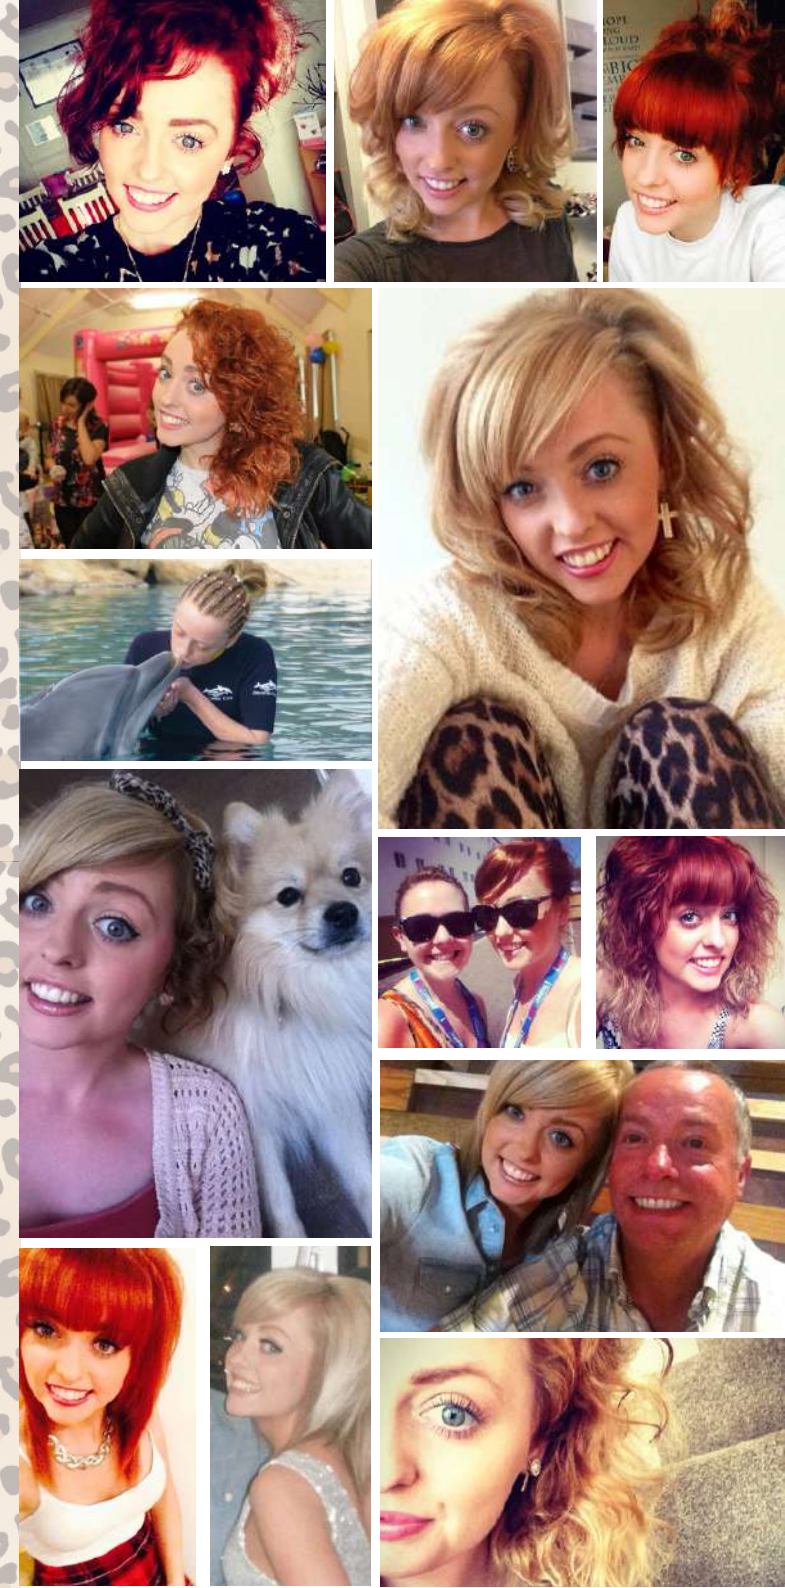

As we reflect on the remarkable impact made since our establishment in 2014, we are humbled by the incredible transformation it has brought to the lives of many. Over the past decade, the Trust has blossomed into a powerful force for positive change. Guided by the enduring memory of our beloved Hollie, whose legacy continues to inspire us.

We have witnessed firsthand the profound influence of our programs, initiatives, and personal safety app on those facing the daunting challenges of domestic abuse, stalking, and other forms of violence. With unwavering dedication, we have empowered survivors, provided essential resources, and raised awareness to break the cycle of abuse through our workshops.

None of this would have been possible without the support of businesses and supporters like you. Your commitment to our cause has been the backbone of our success, enabling us to reach further and touch more lives each year. As we commemorate a decade of profound impact, we invite you to join us to make our 10th-anniversary year the most memorable and impactful yet.

Through a series of inspiring and innovative fundraising events throughout this important year, we aim to raise the bar higher to further amplify the Hollie Gazzard Trust's mission. Your involvement will play a pivotal role in supporting our endeavours and expanding our reach to bring education to those in need.

Thank you for being an integral part of our journey. Together, let's continue to honour Hollie's legacy by creating positive change.

CHARITY OF THE YEAR

Tuesday 20th February 2024

The Service of remembrance will be held on the 20th of February at 6:30 pm. This will be a heartfelt tribute to Hollie, a beloved daughter, sister, and friend, whose memory lives on in the hearts of those she touched. It will also be a time to remember all those affected by domestic abuse and stalking.

As we remember Hollie, we also celebrate the impact of the Hollie Gazzard Trust and the vital work it continues to do in raising awareness of domestic abuse and promoting healthy relationships, to improve resilience within our communities. The aim of the Trust is simple – we work to save lives by building individual and community resilience to domestic abuse and stalking.

The service will be held in Gloucester Cathedral, presided over by Bishop Rachel and we invite the whole community to join us and remember a young and beautiful life that was tragically taken too soon.
