

'FRIENDS TOLD
ME BISEXUAL
PEOPLE DON'T
EXIST, BUT
I'M REAL AND
MY SEXUALITY IS
WONDERFUL!'

JACQ APPLEBEE

Jacq is a Black, disabled, bisexual activist and writer. They are one of the co-founders of the support and social group: Bi's of Colour. Jacq produced the Bi's of Colour History Report - the first of its kind in the world, documenting the lives and experiences of minority ethnic bisexual people.

Every year on 23 September, Bi Visibility Day celebrates bi people across the globe, while recognising the work still required to make biphobia a thing of the past and to put bi visibility on the agenda.

Bi refers to an emotional and/or sexual orientation towards more than one gender. At Stonewall we're proud to work with lots of inspirational bi people and share their stories to achieve acceptance without exception.
