

'SOME PEOPLE
SAY BEING
BI IS JUST A
PHASE BUT YOU
KNOW WHAT
YOU'RE REALLY
FEELING'

JEN YOCKNEY MBE

Jen is a genderqueer bi woman who runs the UK's longest established bisexual support organisation, BiPhoria, and has helped many other people to build bi support in their local area. She's the editor of Bi Community News magazine, and set up BiVisibilityDay.com in 2001 which tracks all the events that mark Bi Visibility Day worldwide. In 2016 Jen was the first person to appear in the Honours List for services to the bisexual community - and the first Mx. You can follow her on Twitter at @jenyockney

Every year on 23 September, Bi Visibility Day celebrates bi people across the globe, while recognising the work still required to make biphobia a thing of the past and to put bi visibility on the agenda.

Bi refers to an emotional and/or sexual orientation towards more than one gender. At Stonewall we're proud to work with lots of inspirational bi people and share their stories to achieve acceptance without exception.
