

**'I CARE ABOUT
PERSONALITY,
NOT GENDER.
BEING BISEXUAL
FEELS LIKE THE
MOST NATURAL
THING IN THE
WORLD'**

RIA HOPKINSON

Ria grew up in a working-class Lancashire town and survived an English degree at Oxford University before making her home in north London. She's an award-winning sports and arts journalist by day and a classical violinist by night. One of the best things Ria learned at school was the word "bisexual", and she's been out and proud ever since.

Every year on 23 September, Bi Visibility Day celebrates bi people across the globe, while recognising the work still required to make biphobia a thing of the past and to put bi visibility on the agenda.

Bi refers to an emotional and/or sexual orientation towards more than one gender. At Stonewall we're proud to work with lots of inspirational bi people and share their stories to achieve acceptance without exception.
