SIMON BOWKETT

Simon is from Devon but grew up in Sussex. He is a dad to four (awesome) kids, and the Chief Executive of a charity that works with homeless people, offenders, and people with drug and alcohol problems, and has also been a local councillor and parliamentary candidate for a major political party.

Every year on 23 September, Bi Visibility Day celebrates bi people across the globe, while recognising the work still required to make biphobia a thing of the past and to put bi visibility on the agenda.

Bi refers to an emotional and/or sexual orientation towards more than one gender. At Stonewall we're proud to work with lots of inspirational bi people and share their stories to achieve acceptance without exception.

Visit www.stonewall.org.uk for more information and resources.
