

Building an Understanding of Emotions and Social Situations using the Build to Express Lego® Kit

*A one day course to provide practitioners with ways of helping children to:
(i) communicate their thoughts and feelings; and, (ii) explore and develop their understanding of social situations*

**Delivery by Dr Jill Mitchell, Educational Psychologist
and Tracey Coxon, Educational Psychologist**

Course Aims

- :: Identify ways in which children can creatively communicate their thoughts and feelings
- :: Learn ways in which children can practically explore curriculum concepts
- :: Creatively explore ways to help children make sense of situations they find confusing or difficult

Staff Outcomes

- :: Staff will be able to use small world building bricks as a tool for supporting children in communicating their thoughts and feelings around every day and imaginary situations

Who is this course for?

Teachers, Teaching Assistants,
Advisory Teachers, Educational
Psychologists, and Professionals
Working with Children

1 Day Course Cost: £120

(To include Lego Kit and Lunch)
