Winter 2016/ 2017

16 days of action

A review of the events held during the 16 days of action (25th November-10th December) which focussed on Coercive Control

During the 16 days of action, many events were held across the county with huge success in raising awareness of coercive control.

A county-wide **poster campaign** was rolled out and supported by all agencies involved in the DASV IG; this was boosted by a **social media reach** of 345, 067 people in Gloucestershire.

A **conference** on coercive control was held for professionals in collaboration with the PCC and Hollie Gazzard Trust, with 200 professionals attending and excellent feedback on the conference content and learning outcomes.

The **Districts** each planned their own coercive control awareness events with excellent attendance at the Gloucester run **Jane Monckton-Smith lecture**, and the Stroud and Cheltenham talks by **Nick Gazzard**.

The Forest of Dean also went out into the community with an **information bus**, while Cheltenham held an **awareness day**. A successful and well attended **'reclaim the night' march** was also organised by GRASAC.

A big **'thank you'** to everyone who helped raise awareness of coercive control during the 16 days of action.
