AMBASSADOR TIMES

We do hope that this newsletter finds you safe and well, following what has been such an unusual few months and looks set to continue to be so. Our Crimestoppers Contact Centre has and will remain open, offering our usual 24 hours a day service. Reports have ranged from Covid-19 lock down rule breaking to domestic abuse and all crimes between.

I had the honour of being asked to take the position of Chair for the Gloucester CS Committee, a team with whom I'd worked alongside for a number of years before accepting the Chair role. The entire committee, with its past and current members are a tireless and selfless team of volunteers who represent everything I truly believe a committee should be. I'd like to thank each and every member for their generosity, compassion, patience and faith , and all amidst an unprecedented time of pandemic and cultural change.

I feel very proud to be a small part of such potential, and I know that whilst the pandemic has necessitated huge change on many aspects of our lives, the support from my committee has only grown stronger and more resolute with the support of its ambassadors and unseen heroes who commit wholeheartedly to promoting intelligent change with victim focus at the core of their work.

The committee have undertaken a number of projects that include personal appearances on social media and supporting a short film to broadcast our purpose and ethic. I send a heartfelt thank you to every person who supports this incredible team and Crimestoppers as a whole and I am constantly stunned by the depth of your kindness at a time when our focus could easily be inward facing. You are all amazing, and I very much look forward to the coming years and developing real innovation born from need.

I pray you all stay safe and well, and please feel free to contact me should you wish to. It is a privilege to be the Gloucestershire Crimestoppers Committee Chair.

Warmest wishes,
Daniel Andreassen

Thank you

COMMITTEE COVID-19 FILM Awareness raising

Our fabulous Gloucestershire Committee volunteers created a film during the first lockdown, which highlights the charity and local volunteering. We would love it if you could share this film with your staff, volunteers and service users (don't forget to tag us if you use it online). [Link here!](#)

DOMESTIC ABUSE

During the lock down period and beyond we have seen an increase in domestic abuse reporting. Gloucestershire constabulary received 14 actionable reports which resulted in 2 positive outcomes and 1 arrest and charge (between April and July 2020). Nationally, we have created resources for general awareness, appeals to those who may have information and for businesses to support their awareness.
