

ROOTS

and Reflections

Oral History Project

Are you aged 60 and over?

Come and be a part of history by sharing memories of your local area in Gloucestershire, its people and how life has changed over the years.

What's Involved?

Come and talk about:

- Local places
- Community life, traditions, and events
- How your surroundings and society have changed

Interviews will be digitally recorded, supported by our experienced facilitator and may be used to preserve local history and creatively reinterpreted by local youth groups

This is a dementia-friendly initiative

Where and When:

(Duration: Around 45–60 minutes)

September Tewkesbury Library Lab
October Cheltenham Library Lab

Coming soon:
Stroud Library Lab
Chipping Campden Library Lab
Coleford Library Lab

February 2026 Gloucester Library Lab

Interested?
