

**THE NELSON TRUST**

Are you or anyone you know worried about:

- Antisocial behaviour
- Offending behaviours
- Substance misuse?

At the Nelson Trust we provide a service to young women aged 14-24 to reduce these risks through promoting wellbeing and protecting these young women.

Rural outreach for  
young women in  
Gloucestershire

## Protection

The service aims to reduce risk, promote wellbeing and protect young women and girls from abuse and exploitation in rural areas.

## Support

Support is delivered through 1:1 individual support sessions, educational school group settings, small groups

## Awareness

We work to raise awareness of:

- The impact of antisocial behaviour on the community
- Consequences of antisocial and offending behaviours
- Consequences for the individual engaging in these behaviours including risk to personal safety
- Links between antisocial behaviour, substance misuse, domestic violence and gangs
