Resource 1: Road safety image

Resource 2: Road safety scenarios

Statement	**Level of risk 1 to 10** (1 is the lowest and 10 the highest)									
	1	2	3	4	5	6	7	8	9	10
Dan is walking home and sees the bus arriving. He starts to run across the road to catch it.										
Jamie is cycling on a bike with friends. Everyone else is going fast, and she's thinking about taking off her helmet because it feels hot.										
Leo is crossing the road at night. He's wearing dark clothes and can't see cars very well as it's foggy.										
Maya is riding an e-scooter. Her friend texts her and she wants to check the message quickly.										
Two friends are chatting while walking along a pavement close to a busy road. One of them steps closer to the kerb without noticing.										
Aisha waits at a zebra crossing, checks the traffic has stopped, then crosses while staying alert to what is happening around her.
