Join us for our December PSHE Network Meeting for Secondary schools, Colleges and FE. Following the success of our previous meetings these sessions continue to offer a valuable opportunity for PSHE leads to stay up to date with the latest guidance, resources and support for delivering a high-quality PSHE curriculum as well as networking opportunities with other PSHE leads and professionals.

This meeting will focus on **“Managing and supporting Harmful Sexual Behaviour”** and will be led by **Laura Nott from The Lucy Faithfull Foundation.**

Laura will provide an informed tour around the **Shore** Resources, a unique online resource for teenagers worried about their own or someone else’s sexual thoughts, feelings or behaviour. Shore offers evidence-based information, self-help resources, and one-to-one support through live chat and secure email on issues including harmful sexual behaviour, consent, online risks, the law, and concerns about friends.
